TUCKSHOP OPENS THURSDAY AND FRIDAYS ONLY AND RECOMMENCES Thursday 7th February 2019

ONLINE ORDERING: Cut off time is 8.30am

The preferred method of ordering for our school Tuckshop is online ordering. The registration process only takes a few minutes and parents can begin placing orders immediately. To register go to

www.flexischools.com.au

This method of ordering is preferred for several reasons;

- Primarily to make it more convenient for parents so they can order online 24/7 from home, work or a mobile device.
- Also, by paying online, there is no fumbling around for bags, menus or coins in the morning, or sending kids to school with excess cash.

- No printer or printout is required when you place orders for the Tuckshop. This clever systems allows the tuckshop staff to access your child's order directly.

- Tuckshop staff spend much of the morning sorting bags, collecting coins, organising change and dealing with incorrect or incomplete orders. Online ordering means the Tuckshop staff have more time to spend on the most important task - preparing healthy and nutritious meals for your children.

Please see current price list for information on paper bag ordering.

Volunteers Needed

Tuckshop operates largely on a volunteer basis!!!

In order to provide the best service we can for your children, we need more volunteers. If you are looking for an opportunity to contribute to the school community while enjoying the social aspect that the tuckshop provides, please complete the form below and return to the school A.S.A.P. Your lunch will be provided on the day along with lots of laughs, so please come along and join in the fun. Unfortunately, due to safety reasons toddlers cannot attend tuckshop, however, if you would like to organise a babysitting roster between friends I am more than happy to organise the tuckshop roster to suit.

A roster will be sent home shortly notifying you of your days (please supply email address).
