## 2025 School Fees and Levies Schedule

As a Catholic school, St Matthew's Primary School is not fully funded by government grants. To ensure the school can provide quality education and resources to all students, fees and levies are collected from families.

School fees and levies are generated on a **term-by-term basis**. Statements are emailed within the first two weeks of each term from [pcoufinance@bne.catholic.edu.au](mailto:pcoufinance@bne.catholic.edu.au) to each account holder. The due date for payment is within fourteen (14) days from the issue of the statement. The due date will be noted on the statement.

The school finance office requires full settlement of fees and levies each year to ensure school accounts remain manageable. Payment options include: BPay (details on statement), Credit Card (BPoint link in Parent Portal) and EFTPOS (school office). School fees and levies paid on time supports the school with meeting its ongoing financial obligations. **BPay is the school's preferred payment method.**

In 2025, St Matthew's will partner with FACTS Management Australia to offer you a flexible plan to manage your school fees and levies by way of regular instalments. All plans must clear the school account by the **last day of school**. Detailed information regarding how to sign up to FACTS will be shared with families, early in Term One 2025.

At St Matthew's, our aim is that no Catholic student will be denied a place at our school due to parents' genuine inability to pay fees and levies. Families who believe they may not have capacity to pay school fees and levies are encouraged to contact the [school finance office](#) to discuss concession eligibility.
